	17.	At home, write a speech		
	18.	At home, send an email		
	19.	At home, take a trip on a train		
	20.	At home, visit a new city		

'The Activity Passport' has been launched to encourage more family time and help build children's character and resilience.

Endorsed by organisations including the Scouts, Girlguiding and the National Trust – as well as the children's charity Action for Children - the list of activities is intended to support parents and schools in introducing children to a wide variety of experiences.

Every child is encouraged to take part in the tasks that will hopefully help them to build their personal skills and qualities during the school day and at home. The vision for every child is for them to have the opportunity to enjoy new and varied experiences, no matter their background - comprising of key areas: drive and tenacity; sticking at the task at hand; understanding how to work towards long term goals when reward might be a long way off in the future; and being able to pick yourself up and bounce back from life's challenges.

These activities will hopefully inspire children to problem-solve, provide opportunities to see or visit new places and develop wide interests in new subjects. The activities are designed to be accessible so that every child and family can get involved. Alongside this, children are asked to take part in 30 minutes of moderate to vigorous physical activity a day outside of school.

'The Activity Passport' will be kept in school and the activities for the year will be shared with families.

We hope that the children enjoy taking part.

Reception

Activity

		\checkmark	Date:
1.	Find tadpoles in a pond		
2.	Paint a self portrait		
3.	Plant some bulbs and watch them grow
