

What a wonderful first term we have had. Year 2 have been amazing role models for KS1 and have been working really hard. We started off creating superhero masks to show how amazing we are.

We enjoyed CAFOD walks, drama workshops and visits from Poppy our

reading therapy dog.

We have been working on teamwork and our concentration. We built towers using marshmallows, began to understand what life would be like if we were refugees and learnt all about place value.

We greatly enjoyed our trip to the Golden

Hinde, learning about the explorers from the past. We also went to Southborough Baptist

Church to learn about other Christian faiths and how they worship. We were fascinated with the baptism pool!

Our Forest School sessions have been great fun this year; we have been reinforcing our learning in R.E and talking about the Holy Trinity.

In History we have been learning about what life would have been like at camp as Captain Scott and as always, toasting yummy marshmallows.

We began a new English story focus at the end of term based on the Polar Express. We enjoyed this and really liked our pyjama day and drinking our hot chocolate with our golden tickets!

We finished off our term with the Nativity. The children were amazing.

We are so proud of Year 2 for everything that they have achieved this

year. We are really looking forward to 2023!

Have a wonderful Christmas and a Happy New Year!

The Year 2 team 😊
