

Reception Class Spring Update

We have been working so hard this term we need a rest!

Our writing is coming on a treat and we are doing so well with our Big (little) Write. We have learned all our phonics in phase 3 and we are working hard to develop our fluency when reading.

At the start of the term some Aliens Stole our Underpants so we made posters to warn everyone else! The classroom was also visited by The Evil Pea but we managed to catch him in our traps.

Our interest in Chinese New Year was huge and we are really looking forward to our school trip next term. Shame we can't really go on a trip to China.

We have enjoyed lots of outdoor learning this term. Already at Forest School we are seeing signs of spring. It's a whole different experience when you are blindfolded!

Our giant pumpkin has finally decomposed enough for us to search for seeds. Although, considering how big it was we are a little disappointed. Even though it didn't smell very nice we had a lot of fun investigating it!
