

Year 6 Update Spring 2024

Year 6 have been working really hard this term to improve all of their skills both inside and outside of the classroom.

The term began with the ever-amazing Young Voices at the O2 – memories to treasure...

We have been fortunate to have Father David visit us recently for a Taize session and to take time to reflect on this special time of year.

World Book Day

We had a lovely World Book Day taking time to share a book called Our Tower and creating a whole school book.

Maths Day

We had an investigative day with Maths Day - investigating angles on our desks!

Workshops

We participated in two workshops connected to Careers Week. These included “Jobs Behind the Books” on World Book Day and “STEM Jobs” to celebrate International Women’s Day.

Bank of America

We began our series of workshops with the Bank of America. Seven mentors joined us from the bank to talk about finance and money. Future workshops will build on these skills and will culminate in a visit to the bank in Bromley at the end of the year

Have a restful and enjoyable Easter break!
