

This term has flown by and the children have been working extremely hard!

Since September, they have learnt an enormous amount about space and famous explorers and the discoveries made by key people in history.

In English they have explored writing newspaper articles based on our class texts and letter writing to Southmore Court.

During the term the children have had opportunities to cook and have made onion bhajis with onions grown in the school garden and also delicious cherry

biscuits. Thank you for your continued support with the cooking activities.

We have also been to Forest School. We loved being in nature and we especially enjoyed making Advent wreaths, dens and Christmas decorations for the Forest School Christmas tree. Roasting the marshmallows was most definitely a highlight!

All of the children did so well in their Year 2 production of the 'Children of the World'. They should be very proud of themselves!

We also wished Mrs Martin good luck on the arrival of her new baby. We can't wait to hopefully meet him sometime in the new year. It has been a pleasure getting to know the children over the last few weeks and I look forward to welcoming them back in January.

Have a wonderful Christmas and a Happy New Year.

Mrs Le Cuirot
