

I can't quite believe that this year has come and gone! Year 2 have worked so hard and I have loved getting to know each and every single one of them over this last year.

Our summer term has been great fun! We built our Great Fire of London houses and set them alight. We taught the children the song 'London's burning' and sang it whilst we watched our precious houses burn.

We read the stories 'Leaf'

and 'Claude in the City' which we loved. We learnt

about global warming, polar bears, leaflets, interviews and newspaper articles. The children worked so hard!

We have also made our egg box vehicles which the children loved and we are finishing them off this week!

Finally, we had a wonderful week for our sports week. We completed lots of different activities; we did football, went on a walk, gymnastics, Munchkins and we ended with an exhausting, hot sports day on the Friday! The children all worked hard as a team and they did very well.

I am so proud of Year 2! Have a wonderful summer and we shall see you soon.

Mrs Martin
