

I can't quite believe that this school year has come to an end! Year 2 have worked so hard and I have loved getting to know each and every single one of them. They have been a delight to teach and they have been exceptional.

Our summer term has been great fun! We read the stories 'Leaf' and 'Claude in the City' which we loved. We learnt about global warming and polar bears and we created leaflets, acted, asked questions for interviews and wrote letters and newspaper articles. The children worked so hard!

We built our Great Fire of London houses and set them alight. We taught the children the song 'London's burning' and sang it whilst we watched our precious houses burn.

The highlight of our term was meeting the residents of Southmore Court who we have been writing letters to this year. The afternoon tea and the wind chime making was enjoyable. It is lovely to watch the children speak to their pen pal and ask and answer lots of questions.

We were privileged to be chosen for a BYMT song festival where we learnt some songs and sang along with other schools. Poppy also joined us for the final time this year and we have loved reading to her. We have begun to make our egg box vehicles. They are looking 'eggcellent' and the children are excited to finish them

this week!

Finally, we had a wonderful week for our sports week. We completed lots of different activities; we started off with a delightful sports morning where I was so proud of all of the children for their hard work and their sportsmanship. We also did some yoga, went on a walk, did gymnastics and Munchkins. The children all worked hard as a team.

Year 2 have matured, grown and learnt so much this year. I am unbelievably proud of them and you should all be so proud of them too!

I hope you all have a wonderful summer and we shall see you in September.

Mrs Martin
