

Dear Parents,

Wow! What a busy term! I can't quite believe we've made it to the end of Year 4. We have been working so hard- right up to the last minute and the children have really pushed themselves to make sure we have completed everything we need to. We have made some wonderful memories this year and the sleepover was a big part of this. All of the children were so sensible and behaved so well. It was a great start to the term.

We have spent lots of time learning about Romans in Britain including our Roman Feast and our trip to Crofton Roman Villa. It has been wonderful watching the children's subject knowledge grow and they have engaged fantastically with the topic. Thank you for all of your support in the Roman Feast too- we had a wonderful event with food, gladiator matches and other talents.

We have made some fantastic toys in DT which did require some perseverance to get working- hopefully by Thursday everyone will have brought one home 😊

Our Ukulele playing has been improving every week and we are looking forward to performing some of our songs in the Music Concert.

Thank you so much for all of your continued support this year. The children have really made some wonderful progress and I know that they will continue to be fantastic in Year 5. It's been a wonderful year and I know that they all deserve a restful and fun summer break.

See you next year Year 4- you've been fab! 😊

Miss Atkinson
