

## Summer Term in Year 5 2023

I cannot believe we have come to the end of Year 5 already! It has been an eventful and fun packed year. The children have been amazing. They have worked hard and I am so proud of them. It has been great seeing them grow in confidence and become the mature, independent children that I see today. I know they will continue to shine as they take on the roles and responsibilities of Year 6. In Year 5, we have been exceptionally busy this term and have completed so many exciting activities such as sports week, organising a cake sale to raise funds for the Alzheimer's Society, visiting Keston Mosque and painting our own landscape in the style of Monet. One of our highlights was visiting the Houses of Parliament.

Thank you for all of your support this year, it has been very much appreciated. I hope you all have a wonderful Summer break and I look forward to seeing you in September. Mrs Wilson
