

Year 6 Update spring 2022

Year 6 have been working really hard this term on improving all of their skills both inside and outside of the classroom.

We have been fortunate enough to go to St James' church for Reconciliation and take time to reflect on Lent.

We have learnt about the ways that photographers create portraits with different lighting and angled shots. We are sure you will agree that the poses were fantastic!

Year 6 have tried a sport new to them in the last fortnight called Pop Lacrosse, this was led by one of our past pupils who volunteered to come in and provide some taster sessions for the children. We will continue with this in PE sessions after Easter.

Cooking

On International Day, we spent the day creating two amazing dishes from Morocco and East Africa: spicy Moroccan couscous and a bean stew. The final taste test gave both dishes a big thumbs up! As it was also Fairtrade fortnight, we spent time looking at how Fair Trade improve the lives of farmers and communities.

World Book Day

We had a hantastiv World Book Day taking time to share books with our Reception buddies!

Have a restful and enjoyable Easter break!
