Photographs:

This is a closed group, do not download or share photographs made available here.

Members are invited to email their photos from fundraising events. A small number will be shared in the group. It is the responsibility of the member supplying the photograph to ensure that those featured within it are happy for it to be used.

If any parent does not want their child to be included in any images shared within the group then please let the PTA know as soon as possible: pta.stjamesprimary@gmail.com

For any photographs that we use of children from the school we will need a signed parental permission form. We will not use photographs of your children unless we have received this from you.

Any comments, both positive and negative, are welcomed by the PTA as we try this new initiative. We hope all members of the group will find this helpful and fun!
